

FAMILY AND CHILDREN'S SERVICES OSC

REPORT TO CABINET

10 March 2020

Outcomes of Consultation on Proposals for West Woodburn First School

The report was presented to the Committee at their meeting on 5 March 2020, by the Cabinet Member for Children's Services, Councillor Wayne Daley, and Head of School Organisation and Resources, Sue Aviston.

Following some discussion, disappointment was expressed that no alternative local solution had been found and therefore, it was agreed that the only available option was for the Committee to advise the Cabinet they **supported** the recommendations as outlined in the report.
