3. REPORT OF THE CHIEF EXECUTIVE

Covid-19 - Northumberland County Council Response

This report is to provide members with a full update on the impact of the Coronavirus (Covid-19) pandemic on the work of Northumberland County Council and to provide an overview of the Council's immediate emergency response from mid-March until the date the report is published.

The Coronavirus pandemic has required a strategic and operational co-ordinated crisis response by significantly shifting the focus of Council activities to support those residents who are most vulnerable. This has been done by the Council using its own resources, working with wider agencies, voluntary and community sector colleagues and also as part of the wider Northumbria Local Resilience Forum (LRF) public service response to the emergency.

Council services have been prioritised to support our most vulnerable residents, many resources, functions, plans, programmes and work have had to be reorganised and reprioritised on a regular basis (sometimes day by day) in order to ensure that Northumberland as a county has had a safe response and that the Council has been able to respond to a wide range of guidance and legislation.

This report provides members with a summary of the Council's response to the Covid-19 emergency and the implications for council services, as they are currently understood. Members are to note that this is an evolving situation which is rapidly changing therefore this summary is provided based on information known at the time and to the best of my knowledge (**Appendix A**).

4. REPORT OF THE CHIEF EXECUTIVE

Covid-19 - Planning for Recovery in Northumberland

This report outlines the Council's plans to support residents, businesses and communities to recover from the Covid-19 crisis in the coming weeks and months. This report is not intended to be guidance to residents, businesses or other organisations regarding the Covid-19 restrictions and nothing in this report should be interpreted either explicitly or implicitly as guidance. In all cases, residents should refer to the latest Government guidance which is available online (**Appendix B**).
