Transport

- Protecting the current arrangements is central to the deal
- New Joint Transport Committee (NECA / NTCA members)
- Business as usual approach that sees the replication of the current arrangements within NECA which respects transport levies of Tyne & Wear, Northumberland and Durham
- Mayor will not have franchising powers

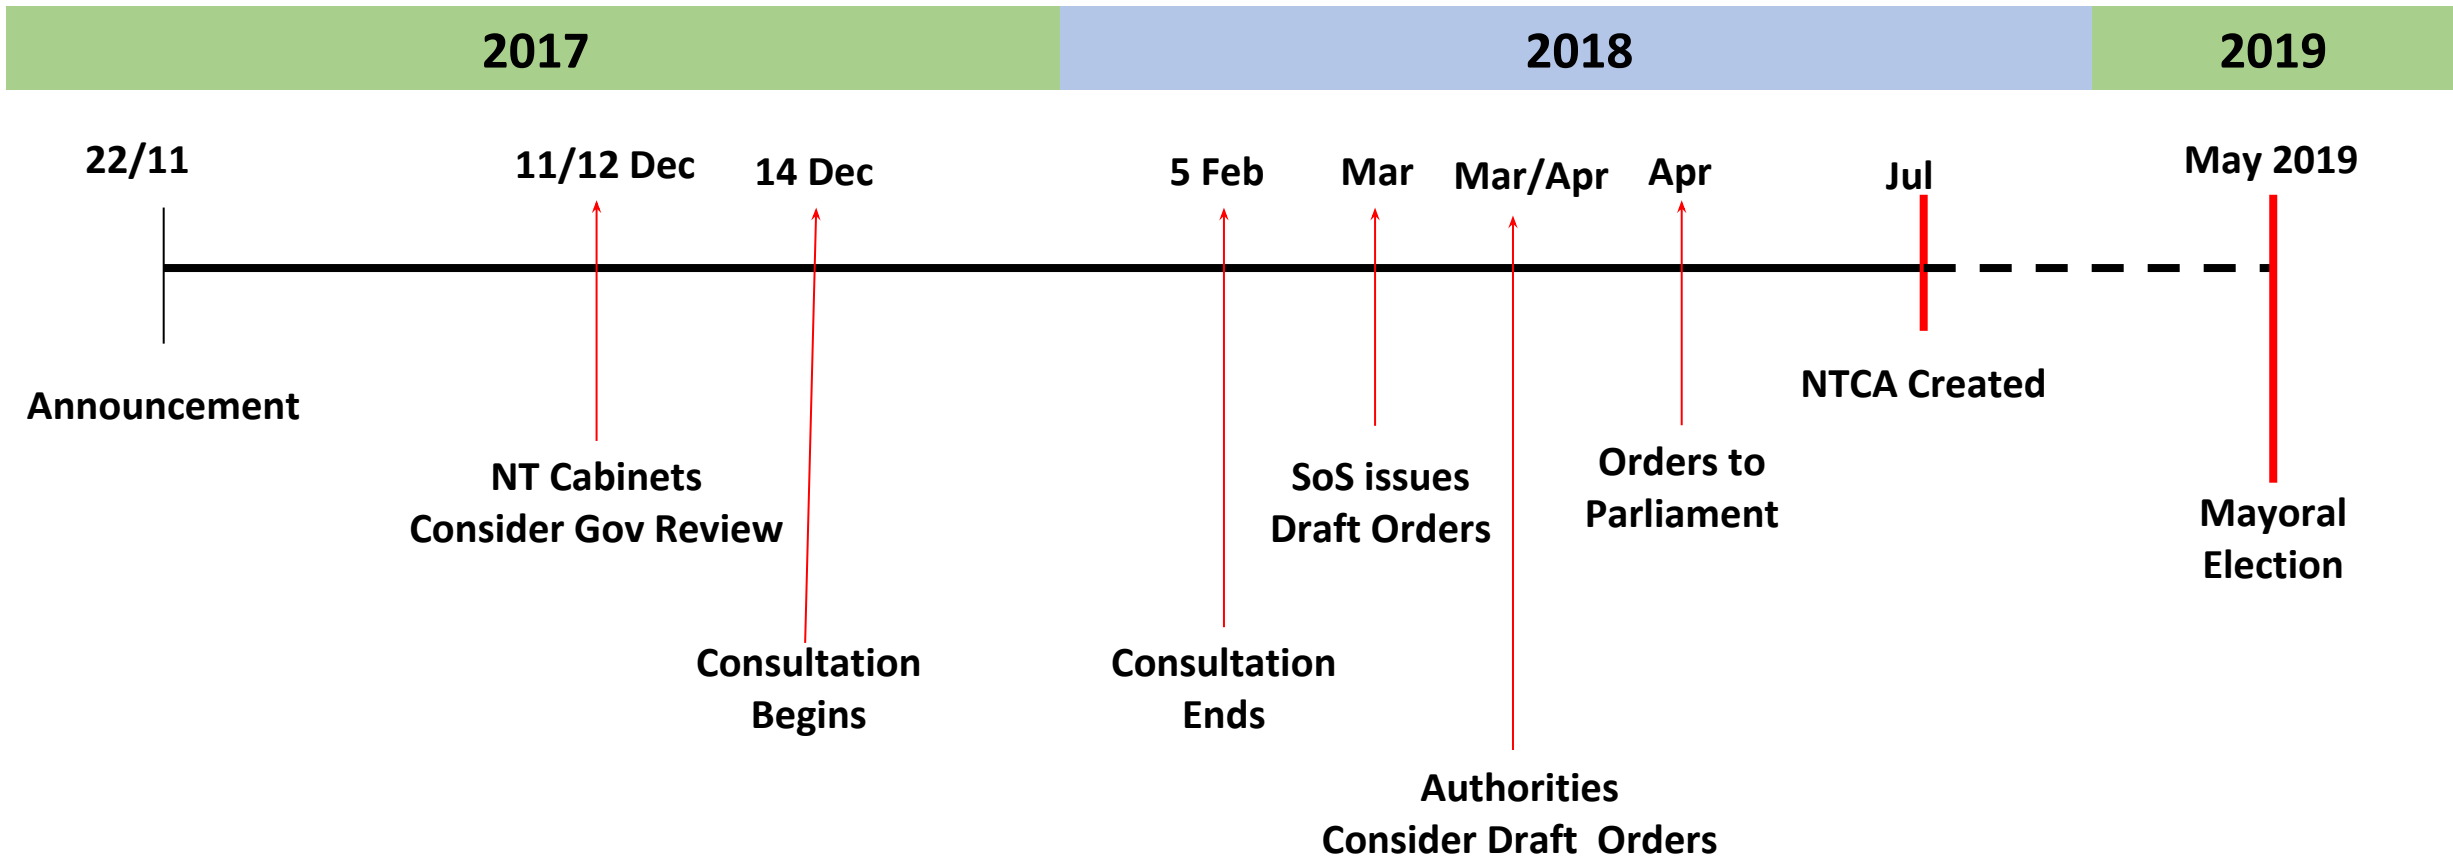

Governance Review - Statute

- Standard statutory process associated with the creation of any Combined Authority which includes consultation with the public and key stakeholders
- Need to illustrate the economic benefits of a new Combined Authority to the Secretary of State - independent impact report produced to help illustrate this
- Process complicated by need to leave existing North East Combined Authority (which the current NECA Leadership Board has to approve) as part of the process

Consultation – NECA area

- Statutory Scope with content and process approved by Cabinets
- Runs from 14 December to 5 February
 - Online consultation
 - Key stakeholders written to
 - Physical consultation information circulated
- Programme of open events to be held in January
- Business conference to be held in January
