Committee Decision - Officer Recommendation: Approve  Comments: The Inspector concluded that <i>"I have considered the development on its own merits and found that it would have safe and suitable access and there would be facilities and services available in the nearby settlements. I have also taken into account that planning permission has recently been granted for other similar development both generally in Medburn, and on the appeal site"</i>	Y

	<i>itself. The development would also make a modest contribution to the delivery of new homes, although I give this little weight. In conclusion, the proposal would accord with the Framework with respect to highway safety and access to facilities and services and with policy PNP 2 of the Neighbourhood Plan and policy H12 of the Local Plan with respect to its effect on the character of the area”.</i>
