Area of Improvement:

1. Quality of the written plans for all children

| | Issue | Actions | Timescale | Progr | Supporting narrative | Lead |
|-----|--|---|---------------|-------|---|-----------|
| | | | | ess | | |
| | | | | RAG | | |
| 1.1 | Further improve the consistent quality of our written plans to support the effectiveness of our care planning for children | Workshops to be developed with a focus on the construction of CP and LAC plans which will be developed to improve the recording of: - desired outcomes - clearly assigned responsibilities for actions supporting the achievement of that outcome - consistently detailed timescales by which the action should be completed. | June 2020 | 2 | Workshops developed and ready to roll out in June. To be completed virtually as team development sessions during COVID. Roll out to include IRO's, Social Workers and Managers. | KM/ AW |
| 1.2 | | Continued implementation of Signs of Safety module to further support consistent and focussed planning with families, including contingency plans. | March 2021 | 3 | Module has been purchased and implementation plan has slowed due to COVID but opportunities for SoS consultant to train staff virtually have recently been introduced. | AW |
| 1.3 | | ASYE academy social workers to receive focussed input on effective planning in order to model good practice from the earliest point of | April 2020 | 1 | This is now part of the ASYE academy training. | AW |

| | social work experience. | | | | |
|-----|--|-----------|---|------------------------------|-----|
| 1.4 | IRO's to ensure that the initial plans | September | 2 | To form part of the training | KM |
| | for CP and LAC are not simply action | 2020 | | programme in line with the | /AW |
| | lists and follow the Signs of Safety | | | Signs of Safety module. | |
| | format and provide basis for an | | | | |
| | outcome focussed plan. | | | | |

2. Area of Improvement:

Quality of analysis in some assessment of impact on children

| | Issue | Actions | Timescale | Progress | Supporting Narrative | Lead |
|-----|--|--|------------|----------|--|-------|
| 2.1 | Further improve the timely updating and consistent analysis of impact in assessments | Review and refresh current assessment training to ensure it covers impact of child's experience. | June 2020 | 1 | Complete and ready to roll out to all relevant staff. | AW/TH |
| 2.2 | | Exemplars of assessment to be indemnified and used as models of good practice. | June 2020 | 1 | PSW identified a number of appropriate examples that can be accessed via the good practice folder. | SK |
| 2.3 | | ASYE academy initial training to cover assessments and how to analyse impact on children. | April 2020 | 1 | Already in place and part of the ongoing practice development plan for the academy. | PB/CS |
| 2.4 | | Development of workshops to enhance the available training to be undertaken with all teams. | July 2020 | 2 | Workshops developed and ready to roll out virtually from July. | AW |

| 3. Area for Improvement: |
|---|
| Quality of the recording of management oversight in supervision records |

| Issue | Actions | Timescale | Progress | Supporting Narrative | Lead |
|-------|---------|-----------|----------|----------------------|------|
| | | | (RAG) | | |

| 3.1 | To ensure consistency in the management oversight and supervision for frontline staff | To undertake specific development sessions with first line managers on written supervision detailing the rationale or reflection that underpins decisions in care planning. | June 2020 | 2 | Face to face sessions planned for April and May cancelled due to COVID but an on line pack developed ready for 1 st June. Virtual model for supervision training developed to be rolled out in July. | AW |
|-----|---|---|-------------------|---|--|----|
| 3.2 | | Quality of supervision and impact on care planning to be evaluated via senior managers audit of effectiveness. | September 2020 | 3 | Some limited evaluation currently being undertaken via audit process looking at quality of practice during COVID. | GR |
| 3.3 | | Tool and theoretical models to be further rolled out to support managers in effective supervision. | June 2020 | 2 | Resources purchased and sent out to all team managers further input to be provided regarding use of tools. | AW |

4. Area for Improvement:

Quality and sensitivity in the way that Later Life letters are written for adopted children

| | Issue | Action | Timescale | Progress | Supporting Narrative | Lead | |
|--|-------|--------|-----------|----------|----------------------|------|--|
|--|-------|--------|-----------|----------|----------------------|------|--|

| 4.1 | Improve the overall quality of written Later Life letters | All later life letters to be completed by specialist family placement workers in line with Life Story Work. | June 2020 | 1 | Almost all Later Life letters now a task completed by CPWs. | LS |
|-----|---|--|-------------|---|---|----|
| 4.2 | | Review of later life guidance to be undertaken in line with Coram BAAF guidance to ensure it continues to be in line with the latest guidance. | August 2020 | 2 | Guidance has been updated to reflect Coram BAAF practice standards. Team workshop to take place virtually during July. | LS |

How will we know

Quality Assurance:

- Standard quality audits and practice days always consider the quality and effectiveness of key areas of practice and management oversight and decision making.
- Themed audits will be undertaken in the specific areas of practice identified in the plan.
