TERMS OF REFERENCE

- (1) To transform the way health and social care services are commissioned and provided to promote integration, improve the health and wellbeing of the population of Northumberland and reduce health inequalities.
- (2) To set out the strategic vision for health and wellbeing for Northumberland to provide a shared sense of direction for constituent organisations of the board.
- (3) To promote a shared transformational culture and set of key principles, across constituent organisations of the board, to drive positive change.
- (4) To hold the system to account to prioritise early intervention and primary prevention.
- (5) To improve democratic accountability for health and wellbeing decision making.
- (6) To provide a focus for Health and Wellbeing Board partners and total public sector commitment to improving population wellbeing and health outcomes.
- (7) To ensure the engagement of the public in determining needs and service commissioning.
- (8) To undertake regular reviews of the Board's activity to ensure that it is achieving what it is setting out to do.

Statutory functions

- (9) To encourage all health and social care organisations which operate within Northumberland to work together in an integrated manner.
- (10) To provide all appropriate advice, assistance and support to encourage the development of formal partnership arrangements between social care and health services, making use of the powers provided by Section 75 of the NHS Act 2006.

- (11) To oversee the production of the Joint Strategic Needs Assessment (JSNA) for Northumberland, covering all needs which either fall within the responsibilities of health commissioners, but could alternatively be met or significantly affected by local authority functions or vice versa.
- (12) To produce a joint health and wellbeing strategy (JHWS) for Northumberland, on behalf of the Council and Northumberland Clinical Commissioning Group.
- (13) To ensure that Healthwatch Northumberland and the people who live and work in Northumberland are involved in the production of the JSNA and the JHWS.
- (14) To maintain and update Northumberland's Pharmaceutical Needs Assessment.
- (15) To respond to any pharmacy contract consolidation request submitted to NHS England within the statutory timeframe.

Additional functions delegated by Council

- (16) To monitor performance against designated health and wellbeing outcomes as detailed in the Health & Well Being Strategy and to hold partners to account.
- (17) To advise all partners and stakeholders on steps that they could take to reduce health inequalities within Northumberland and between Northumberland and England as a whole
- (18) To promote broader integration and partnership working between the NHS, social care, public health and other local services
- (19) Any other functions that may be delegated by the Council under section 196 (2) of the Health and Social Care Act 2012.
