Dear Sir/Madam

Re: Alnmouth Village Golf Club NE66 2R2 Application for a premises licence

Having read through the application we would like to draw your attention to the following concerns:-

1. The proposed opening times. In sections A B C E F G it states that the opening times will be from 9am to 11pm; yet in section H, which subsumes all the activities in A – G, the stated closing time is 1am. Why the difference?
2. The activities are listed as indoor and outdoor. (See below)
3. In section J it states “supply of alcohol on/off premises until 1am.” Where exactly off the premises do they have in mind?

Our garden and house are one of a number that back onto the golf club. We are concerned about potential disruption, particularly late into the evening, from the stated activities being conducted outside. The reference to outdoor music is a particular concern. This is a densely settled part of the village and music outside would quite clearly have an impact on the residents.

We look forward to hearing your comments and hope that you will be able to give us some reassurance on these matters.

Yours faithfully

Kevin Collins

Premises Licence - Alnmouth Village Golf Club, Marine Road, Alnmouth, NE66 2RZ

Further to the application from Alnmouth Village Golf Club for the above I am lodging an objection as I have not been able to agree conditions to satisfy the prevention of public nuisance licensing objective.

I have attempted to call the applicant to discuss the proposal but have been unable to contact anyone. I have also sent suggested conditions, however I have not had confirmation that they are acceptable. I am confident that agreement can be reached and at that point I will withdraw the objection.

Regards,

Martin
