Will the performance of live music take place indoors or outdoors or both?

☒ Indoors ☐ Outdoors ☐ Both

Where taking place in a building or other structure tick as appropriate. Indoors may include a tent.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

The Provision of live music will be mainly be that of acoustic artists in a relaxed background style. Although the music at times will be amplified and we may occasionally provide bands or live discos for special events. Taking into account the design and Location of the building and the fact that the adjoining properties are commercial the impact of any live music would potentially be greatest to the residential properties at the rear of the property. To reduced any impact it would be practical to position and direct any amplified music (Speakers) toward the front of the property which is onto the busy high street and open space and should not cause any nuisance.

State any seasonal variations for the performance of live music

For example (but not exclusively) where the activity will occur on additional days during the summer months.
