## Notice of Representation

Members of the public can submit representations in objection to or in support of the premises licence applications, within the 28 day consultation period.

Please be aware that for any objections to be considered relevant, they should be submitted before the end of the consultation period and they should address the four licensing objectives in relation to the licensing activity.

The licensing objectives are the prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm.

Please be aware that where representations are considered relevant copies of the representation will be provided to the applicant and the Licensing Sub Committee.

**Please note: Objections will only be considered where a name and address are supplied.**

Name: Brendan Oneill

Address: 8 west

Ponteland

NE20 9SU

Licensing

Objective:

Premises: 10 West rd Ponteland (Pont-top

Reason for Representation: prevention of public nuisance,  
(continue on separate sheet if necessary) Public Safety,

I am writing to voice my concern's for recent a licence for Alcohol application by michael barnes, as a home owner of 8 west rd Ponteland my home is 5 meters from the Premises and my driveway shared with No 6 west rd is 2 meters away. my concern's would be from the noise generated by the public leaving these premises late at.

right - waiting around for taxis when  
the premises have closed using the drive  
as a toilet sitting on the dwarf wall  
which is in front of my window as they  
wait for a lift, leaving bottles and glass  
on the wall, using the drive to park  
cars, to drop off and pick up, members of the  
public who are using the premises, as there  
are double yellow lines in front of premises  
as it is not safe to drop off and pick up  
as there is a junction on a bend about  
50 meters away, he states there will be  
signs in the premises stating to leave the  
premises quietly, will people really adhere  
to some signs ~~and this could lead to~~  
as at the moment this is a peaceful area  
of the village, with an old person's home  
at the rear of the building. I feel I would  
have to take direct measures to prevent  
people leaving the building walking on  
my garden or garden wall by constructing  
a fence and setting up my own CCTV  
for any unruly behaviour, which would  
come at some considerable cost

yours gratefully

**Please note: Objections will only be considered where a name and address are supplied.**

Name: Stella Chambers...

Address: 11A West Road, Ponteland, NE20 9SU.....

Licensing Objective: ...

...d) the prevention of public nuisance

Premises: ..... 10 West Road, Ponteland, NE20 9SU

The Pont Tap,

Registration number - 12253247

Reason for Representation:

As the resident of 11A West Road, a private residence directly opposite to the Applicant's business address of 10 West Road, I wish to make the following observations in relation to parking, increased traffic congestion, noise and air pollution: -

I have two parking areas at the front of my property that I require access to at all times including for carers visiting my address. Even though there are double yellow lines I have already experienced problems with people blocking my access by parking in front of my home to visit other nearby businesses which have a much lower volume of visitors than a micro-pub will. Further I am concerned that as there is limited parking at the applicant's property some inconsiderate people may feel that they can use my private parking areas.

Although it mentions that deliveries of stock will be done during daytime hours, it must be noted that this is already a very busy part of West Road that has continuous queuing traffic from before the junction with Meadowfield in front of our two addresses and into the village, particularly during the busy commuter times and at school drop offs. Deliveries at peak times could add to the congestion and increase air pollution.

Finally, I am concerned that although there are road restrictions outside the two properties, taxis will stop to drop off and wait to pick up, particularly later in the evening inevitably creating noise directly in front of living room and two of the bedrooms of my house which overlook the property.

Signed .....Stella Chambers..... Date ...12/1/20.....

Please be aware that where representations are considered relevant copies of the representation will be provided to the applicant and the Licensing Sub Committee.

**Please note: Objections will only be considered where a name and address are supplied.**

Name: Ponteland Town Council

Address: Unit 1 Meadowfield Court, Meadowfield Industrial Estate, Ponteland Newcastle upon Tyne NE20 9SD

Licensing Objective: ...crime and disorder, prevention of public nuisance, public safety and the protection of children from harm.

Premises: Pont Tap, 10 West Road, Ponteland NE20 9SU

Reason for Representation:

All the above points are relevant as this address is within close proximity to residential dwellings, that may very well house children. It is but a few feet away from properties to the right-hand side and to the back where there is an over 55 retirement complex.

A licensed premise at this address would be unsuitable to the people who live almost adjacent and these people need protecting from disturbance, noise, crime and harm as closing so late in the evening (23:30) could involve people who are intoxicated or causing a noise or other nuisance.

Should a licence be granted, the planning committee suggests times are 12:00 – 23:00 with last orders at 22.30 thus reduces any disturbance to the surrounding neighbours.

Signed .....

Date ...13<sup>th</sup> Jan 2020....
