OTHER LOCAL AREA COUNCIL BUSINESS

16. **Roadside Litter: Presentation by Alnwick Friends of the Earth**

Alnwick Friends of the Earth have asked the following question to the Council:

'Given the environmental impact of litter, much of which is non-biodegradable and the particular difficulties of cleaning litter from verges, what is the Council currently doing to reduce roadside litter and what further action could be taken? For example: is it possible to incorporate verge cleaning into contracts for road repairs and maintenance? In terms of prevention; are there any plans to relaunch the "Love Northumberland, Hate Litter" campaign and could this incorporate a focus on roadside littering?'

Representatives of Alnwick Friends of the Earth will be in attendance to present their views and suggestions about addressing problems with roadside litter, with reference also to the National Litter Strategy, roadside littering prevention strategies and successful anti-littering campaigns.

A report from Local Services about activities in place and continuing to address roadside littering concerns will then be presented to the May 2018 round of Local Area Council meetings.
