Regulation 18 Local Plan

- New plan will be a Local Plan with full plan coverage
- Plan period will be 2016-2036
- The Local Plan will:
 - Set the strategic planning policies of the Council
 - Set the general scale and distribution of new development to 2036
 - Provide the planning principles, including detailed 'development management' policies to guide planning decisions
 - Show in detail where new homes, workplaces and facilities will be located through allocations of land
 - Show key environmental designations and include site specific proposals for the conservation and enhancement of historic and natural assets
 - Cover the whole of Northumberland (except the National Park)
 - Replace all local plans and core strategies
 - Run alongside recent and new Neighbourhood Plans

Regulation 18 Local Plan - Vision

- Plan contains a draft vision:

Northumberland's physical and cultural identity will be conserved and nurtured; its resources will be utilised in a sustainable way. The breadth, scale and quality of its special, varied landscapes and biodiversity will be conserved, enhanced and increased. The quality of its buildings and spaces will be conserved and improved. New development will be well designed, minimise environmental harm and reduce the effects of climate change.

The economy will be thriving and competitive, and deliver more and better jobs. Supported by investment and infrastructure, building on existing strengths whilst diversifying and realising the potential of the rural and visitor economy .

The health and wellbeing of the county's people and communities will be safeguarded by continually improving education and skills, and ensuring access to decent, affordable homes, services and facilities is secured.

Regulation 18 Local Plan - Objectives

- The objectives are:
 - Growing and diversifying the Northumberland economy
 - Extending housing choice
 - Conserving and enhancing the environment and environmental assets
 - Improving connectivity and movement
 - Supporting healthy, sustainable communities by responding to service needs
 - Mitigating and adapting to the effects of climate change
 - The prudent use of natural resources
 - Ensuring high quality design of buildings and spaces

Regulation 18 Local Plan - Delivering the Vision

- Plan needs to define level and distribution of development and include specific policies to deliver the vision
- Ambitious growth scenario for employment - aligned with the SEP, North of Tyne and Borderlands Initiative
- Plan includes a spatial guide to location of development:
 - Main Towns main focus for development
 - Service Centres will accommodate development that maintains and strengthens their roles
 - Smaller scale development in other Service Villages and cluster of smaller settlements
- Use of settlement boundaries
- No Green Belt deletions proposed other than for employment
- Policies on Climate Change Mitigation and Adaptations, Health and Wellbeing and Design

Regulation 18 Local Plan - Economic Development

- The Strategy for the economy:
