5. Planning Appeals Allowed

Reference No	Proposal and main planning considerations	Award of Costs?
17/03320/ADE	<p>Advertisement consent hoardings signs - Land south of Beal Bank, Rotary Way, Warkworth</p> <p>Delegated Decision - Officer Recommendation: Refuse</p> <p>Main issues: significant detrimental impact on visual amenity of the rural setting</p> <p>The Inspector states that the proposed advertisement graphics would not be particularly large or garish in composition and form. Accordingly, due to the scale, proposed use of relatively subdued colours and the siting against a hedgerow, a stark contrast would not occur between the advertisement and its muted rural setting. Given the distance from Warkworth Castle, and the location and scale of the advertisement, no harm in relation to the setting of the listed building has been identified. In relation to the adjacent Conservation Area and the AONB, the proposal would not be unduly dominant and as such, the character and appearance of both designations would be preserved. Concerns in respect of cumulative impact were acknowledged, but the Inspector states</p>	N

	each application and appeal must be treated on its individual merits. The Inspector concludes that the advertisement would not appear as an incongruous feature and therefore no significant harm has been identified in relation to amenity.
