Mobile Home Act compliant Twin Unit Residential Lodges/Bungalows (as amended 13/12/17) - land west of Treetops, Callally Road, Whittingham</p> <p>Main issues: development would not reflect local character or distinctiveness of Whittingham and its Conservation Area and would have an adverse impact on the setting of a historic rural village.</p> <p>Committee Decision - Officer Recommendation: Refuse</p> <p><i>Comments: The Inspector commented that the visual impact of the proposal on its surroundings and the character and appearance of the Conservation Area (CA) would be less than that of the approved 2013 scheme. It was acknowledged that introducing mobile homes or lodges into the historic village setting would bring an element of contrast to the character and appearance of the area and the CA. However, the impact was found to be limited.</i></p> <p><i>Whilst the proposal would be an unfamiliar form of development to the prevailing character of properties, the Inspector did not consider there to be any detrimental effect on the qualities of the surrounding area. The Inspector concludes the proposed development would preserve the character</i></p>	N

	<i>and appearance of the CA and preserve its significance as a designated heritage asset.</i>
