- As agreed by the County Council in February 2012, the management of local public question times is at the discretion of the Chair of the committee.

Please note however that a question may possibly be rejected if it requires the disclosure of any categories of confidential or exempt information, namely information:

1. relating to any individual;
2. which is likely to reveal the identity of an individual;
3. relating to the financial or business affairs of any particular person;
4. relating to any labour relations matters/negotiations;
5. restricted to legal proceedings;
6. about enforcement/enacting legal orders;
7. relating to the prevention, investigation of prosecution of crime.

And/or:

- is defamatory, frivolous or offensive;
- it is substantially the same as a question which has been put at a meeting of this or another County Council committee in the past six months;
- the request repeats an identical or very similar question from the same person;
- the cost of providing an answer is disproportionate;
- it is being separately addressed through the Council's complaints process;
- it is not about a matter for which the Council has a responsibility or which affects the county;
- it relates to planning, licensing and/or other regulatory applications;
- it is a question that town/parish councils would normally be expected to raise through other channels.

If the Chair is of the opinion that a question is one which, for whatever reason, cannot properly be asked in an area meeting, he/she will disallow it and inform the resident of his/her decision.

Copies of any written answers (without individuals' personal contact details) will be provided for members after the meeting and also be publicly available.
