# AGENDA

## PART I

It is expected that the matters included in this part of the agenda will be dealt with in public.

### 1. APOLOGIES FOR ABSENCE

### 2. MINUTES

(Pages 1  
- 6)

Minutes of the meeting of the Cramlington, Bedlington & Seaton Valley Local Area Committee held on 23 August as circulated, to be confirmed as a true record and signed by the Chair.

### 3. DISCLOSURE OF MEMBERS' INTERESTS

Unless already entered in the Council's Register of Members' interests, members are required where a matter arises at a meeting;

- a. Which **directly relates to** Disclosable Pecuniary Interest ('DPI') as set out in Appendix B, Table 1 of the Code of Conduct, to disclose the interest, not participate in any discussion or vote and not to remain in room. Where members have a DPI or if the matter concerns an executive function and is being considered by a Cabinet Member with a DPI they must notify the Monitoring Officer and arrange for somebody else to deal with the matter.
- b. Which **directly relates to** the financial interest or well being of a Other Registrable Interest as set out in Appendix B, Table 2 of the Code of Conduct to disclose the interest and only speak on the matter if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain the room.
- c. Which **directly relates to** their financial interest or well-being (and is not DPI) or the financial well being of a relative or close associate, to declare the interest and members may only speak on the matter if members of the public are also allowed to speak. Otherwise, the member must not take part in discussion or vote on the matter and must leave the room.
- d. Which **affects** the financial well-being of the member, a relative or close associate or a body included under the Other Registrable Interests column in Table 2, to disclose the interest and apply the test set out at paragraph 9 of Appendix B before deciding whether they may remain in the meeting.
- e. Where Members have or a Cabinet Member has an Other Registerable Interest or Non Registerable Interest in a matter being considered in exercise of their executive function, they must notify the Monitoring Officer and arrange for somebody else to deal with it.

NB Any member needing clarification must contact [monitoringofficer@northumberland.gov.uk](mailto:monitoringofficer@northumberland.gov.uk). Members are referred to the Code of Conduct which contains the matters above in full. Please

refer to the guidance on disclosures at the rear of this agenda letter.

#### **4. PUBLIC QUESTION TIME**

To reply to any questions received from members of the public, which may be received in writing in advance of the meeting or asked at the meeting. Questions can be asked about issues for which the Council has a responsibility. If questions are received in advance of meetings it will increase the likelihood of an answer being provided at the meeting. (Public question times take place on a bimonthly basis at Local Area Committee meetings: in January, March, May, July, September and November each year.)

As agreed by the County Council in February 2012, the management of local public question times is at the discretion of the Chair of the committee.

Please note however that a question may possibly be rejected if it requires the disclosure of any categories of confidential or exempt information, namely information:

1. relating to any individual;
2. which is likely to reveal the identity of an individual;
3. relating to the financial or business affairs of any particular person;
4. relating to any labour relations matters/negotiations;
5. restricted to legal proceedings;
6. about enforcement/enacting legal orders;
7. relating to the prevention, investigation of prosecution of crime.

And/or:

- is defamatory, frivolous or offensive;
- it is substantially the same as a question which has been put at a meeting of this or another County Council committee in the past six months;
- the request repeats an identical or very similar question from the same person;
- the cost of providing an answer is disproportionate;
- it is being separately addressed through the Council's complaints process;
- it is not about a matter for which the Council has a responsibility or which affects the county;
- it relates to planning, licensing and/or other regulatory applications;
- it is a question that town/parish councils would normally be expected to raise through other channels.

If the Chair is of the opinion that a question is one which, for whatever reason, cannot properly be asked in an area meeting, he/she will disallow it and inform the resident of his/her decision.

Copies of any written answers (without individuals' personal contact details) will be provided for members after the meeting and also be publicly

available.

Democratic Services will confirm the status of the progress on any previously requested written answers and follow up any related actions requested by the Local Area Committee.

## **5. PETITIONS**

This item is to:

- a. Receive any new petitions: to receive any new petitions. The lead petitioner is entitled to briefly introduce their petition by providing a statement in writing, and a response to any petitions received will then be organised for a future meeting;

The next meeting of the Cramlington, Bedlington & Seaton Valley Local Area Committee is Wednesday 18 October 2023.

## Registering Interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

**"Disclosable Pecuniary Interest"** means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

**"Partner"** means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

### Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest.

Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

### Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

### Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in **Table 1**) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which **affects** –
  - a. your own financial interest or well-being;
  - b. a financial interest or well-being of a relative or close associate; or
  - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2** you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied
9. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well- being:
  - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
  - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise, you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

#### 09. PROCEDURE AT PLANNING MEETINGS

The Chair advised those present of the procedure to be followed at the meeting.

#### 10. APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillors Bowman, Dunbar and Ferguson.

#### 11. MINUTES

**RESOLVED** that the minutes of the meeting of the Cramlington, Bedlington & Seaton Valley Local Area Council held on 19 July 2023 as circulated, be confirmed as a true record and signed by the Chair.

## 12. DISCLOSURE OF MEMBERS' INTERESTS

Councillor Daley requested that it be noted he was Chair of the Family & Children's Services Overview & Scrutiny Committee, but which was not a decision-making body. He had sought legal advice from the Solicitor who had advised that he could take part in the meeting.

Councillor Swinburn declared an interest as he would be speaking as Ward Councillor and would take no part in the determination of the application.

## 13. DETERMINATION OF PLANNING APPLICATIONS

The report requested the Committee to decide the planning applications attached to the report using the powers delegated to it. Members were reminded of the principles which should govern their consideration of the applications, the procedure for handling representations, the requirement of conditions and the need for justifiable reasons for the granting of permission or refusal of planning applications.

**RESOLVED** that the information be noted.

## 14. 23/02232/CCD

Temporary (max 2 years) single storey, double classroom building to aide teaching whilst the works to construct a new school will be undertaken. Land within Cramlington Learning Village, Cramlington, Northumberland, NE23 6BN.

Richard Laughton, Senior Planning Officer provided three updates:

- 1) The application was part retrospective as the building was now on site, condition 3 would need to be removed for the Construction Method Statement as this was no longer required.
- 2) There had been confusion beforehand regarding the need for classrooms. The Education Department had since confirmed it had been due to the increase in pupils from feeder schools and not due to a new school. The description was revised to:

***'Construction of a single storey, double classroom building for a temporary period up to a maximum of 2 years (amended description).'***

- 3) As the permission was temporary for 2 years, condition 1 would be replaced with:

***'This permission is limited to a period expiring two years from the date of this permission. The development hereby permitted shall***

***then be removed from the site and the land restored to its former condition within 2 months of the date of the expiration of this permission.***

***Reason: The design and materials used in the construction of the building make it unsuitable for a permanent permission and in accordance with the provisions of Local Plan Policy QOP1'***

The Officer continued to introduce the report with the aid of a PowerPoint presentation.

Councillor Mark Swinburn, Local Councillor, addressed the Committee:

- He thanked the committee for allowing him to speak.
- He was aware of the need to temporarily expand year 7 education provision to cover what had been called a 'blip' for a two year period.
- He was pleased that the County Council had come forward to support the Academy.
- As both local member and a member of the Family & Children's Services Scrutiny Committee, he was aware that despite the 'blip', the school, as with the majority of the county, maintained a surplus of space, despite current development in the town which was a concern repeatedly expressed by residents.
- Space requirements were calculated when planning applications were submitted. The current Cramlington developments were made back in 2016 when numbers were then calculated, but still constantly monitored by the Authority who would respond to any on going change as necessary.
- The make up of the school numbers also included 25% of pupils from outside of the town, some third of those from outside of the county, but the temporary measure was just a 'blip'.
- As planning committee members were fully aware, the application must be treated as though it was a new application, despite the fact that work had already progressed and the portacabins had been installed on site over 2 weeks ago.
- He was disappointed to see no concerns raised by the Highways Team, especially considering continued calls for improvements to the entrance and exit junction at the site with current congestion levels. Also, the ongoing issues raised with traffic and parking in the surrounding residential streets.
- His main concern related to the location of the portacabin units. Having queried this, he was informed that the location of the portacabins needed to be adjacent to other classrooms and access for the delivery of the modules.
- He felt that latter could have been made much easier being located slightly to the north east of the planned location, as seen on the site map, therefore providing easier installation, and at this time there was no public knowledge of any future rebuilding plans.

- He referred to the location of the application beside the Public Right of Way, which the school for many years, had raised concerns to the fact it had a footpath running through the school grounds, taking action in the early 2000's to have it removed, resulting in the Secretary of State changing this to a Public Right of Way following significant public opinion.
- At the start of 2021, the school started the process to formally request closure of the Public Right of Way, which many Cramlington colleagues would be aware of, and which had again raised significant objection.
- The school had cited safeguarding concerns and examples to support the closure of the Right of Way, formally recorded in their application, but had not commented, or objected to the placement of the classrooms, just a few feet away.
- While other options were available, there was no mention of any safeguarding concerns over the location, despite the many years of complaint by the school. It was important that members were made aware of this if they were minded to approve the application and were happy with the location of the units adjacent to the Public Right of Way when making their decision.
- When the application to remove the Public Right of Way proceeds to the Secretary of State, then it would be seen that the planning committee was happy to approve the location of these classrooms beside the path, despite being made aware of apparent safeguarding concerns.

In response to questions from Members of the Committee the following information was provided:-

- As the new school term was just a couple of weeks away, it was thought that the planning application would have been delegated.
- The loss of conditions would not harm the application.

Councillor Flux proposed that the application be granted in line with the officer recommendation incorporating the change of description and amendments to the conditions, which was seconded by Councillor Daley.

In debating the application, Councillor Robinson stated that he would abstain from the vote as the applicant had not engaged in the proper process resulting in loss of conditions and with the additional problem of the Right of Way.

Councillor Daley could not find any material planning consideration to refuse the application and if appealed, would probably lose. Family & Children's Services had been aware of this earlier in the year and information had not been shared by the Education Department and he would, therefore, support the application.

On summing up, Councillor Flux said that it was disappointing that the application had been received retrospectively, but as it was time critical, he did have some sympathy. He was aware of the issue of the path, but it was

separate to the planning application. There was no reason to refuse as this would be to the detriment to pupils and the application should be approved.

Upon being put to the vote the results were as follows: -

**FOR: 5; ABSTENTION: 3.**

**RESOLVED** that the application be granted permission subject to the amended description and amendments to the conditions as referred to by the Planning Officer.

**15. APPEALS**

**RESOLVED** that the information be noted.

**16. DATE AND TIME OF NEXT MEETING**

The next meeting would take place on Wednesday, 20 September.

Members were reminded that Local Services would not be present at the September meeting and any queries/requests in the meantime be emailed directly to Local Services officers directly for a response.
