Morning Deborah

As requested, we spoke with our Y2, Y3 and Y4 children about the consultation options. The responses from children of this age were understandably quite limited but I'll detail them below anyway: The numbers are a straight count on 'leave' or 'stay' for each class.

Y4. Leave at Y4: 15 Stay to Y6: 15

To stay:

- ALFS is the best school
- Stay with close friends
- Familiar with this school and won't be scared
- Wouldn't need to worry about bullies at Middle School
- You get demerits at Middle School
- do some harder work
- DT projects

To go to after Y4:

- meet new friends
- face your fears
- meet new teachers
- see all my football friends from other school

Y3 Leave at Y4: 10 Stay to Y6: 14

To stay:

- It's a good school
- I don't want to leave
- I like playing with the little ones
- Nice teachers
- It will get harder at Middle School

To go to after Y4:

- to see my sister and her friends
- to meet new people
-

Y2: Leave at Y4: 6 Stay to Y6: 14

To stay:

- Like the teacher
- stay with friends
- like the subjects we do
- very strict at middle School
- It's hard to get merits but easy to get demerits

To go to after Y4:

- More clubs (like Code Club)
- Science labs
- meet new teachers

Hope this is of some use.

Paul
