Hi both,

Yes, I agree that there is no change from the preference given and this will benefit Ford best out of all of the options. Preserving a rural presence for children to undertake either First or Primary is of utmost importance with links to the community and church.

Hope this helps and best wishes for the new term.

Take care

Keith

Hi Jacq,

Pleased you've had a good break and hope the team are all well and looking forward to returning. I think as discussed previously there is a real potential for Ford in terms of changes into Primary particular as a rural school in the west of the partnership. Take care, savour the last weekend, and catch up soon

Adele
