

# HEALTH AND WELLBEING OSC

## REPORT TO CABINET

17 November 2022

### ADULT SOCIAL CARE MARKET POSITION STATEMENT 2022

The report was presented to the Committee, at their meeting on 3 November 2022, by Alan Curry, Senior Manager – Commissioning,

Members welcomed the report and following a discussion about the key issues within the adult social care market including fees, availability of domiciliary care in rural areas and the future of the adult social care market, the Committee **AGREED** to advise the Cabinet they supported the recommendations as outlined in the report.
