November 2022

Dear Members

Audit Strategy Memorandum – year ending 31 March 2022

We are pleased to present our Audit Strategy Memorandum for Northumberland County Council and the Group (Council and Group) for the year ending 31 March 2022. The purpose of this document is to summarise our audit approach, highlight significant audit risks and areas of key judgements and provide you with the details of our audit team. As it is a fundamental requirement that an auditor is, and is seen to be, independent of its clients, section 7 of this document also summarises our considerations and conclusions on our independence as auditors. We consider two-way communication with you to be key to a successful audit and important in:

- reaching a mutual understanding of the scope of the audit and the responsibilities of each of us;
- sharing information to assist each of us to fulfil our respective responsibilities;
- providing you with constructive observations arising from the audit process; and
- ensuring that we, as external auditors, gain an understanding of your attitude and views in respect of the internal and external operational, financial, compliance and other risks facing the Council and Group which may affect the audit, including the likelihood of those risks materialising and how they are monitored and managed.

With that in mind, we see this document, which has been prepared following our initial planning discussions with management, as being the basis for a discussion around our audit approach, any questions, concerns or input you may have on our approach or role as auditor. This document also contains an appendix that outlines our key communications with you during the course of the audit. If we identify any risks or changes to our planned strategy following completion of our planning, we will ensure we communicate these to the Audit Committee.

Client service is extremely important to us and we strive to provide technical excellence with the highest level of service quality, together with continuous improvement to exceed your expectations so, if you have any concerns or comments about this document or audit approach, please contact me on 07813 752 053..

Yours faithfully

Cameron Waddell

Section 01:

**Engagement and
responsibilities summary**

1. Engagement and responsibilities summary

Overview of engagement

We are appointed to perform the external audit of the Council and Group for the year to 31 March 2022. The scope of our engagement is set out in the Statement of Responsibilities of Auditors and Audited Bodies, issued by Public Sector Audit Appointments Ltd (PSAA) available from the PSAA website: <https://www.psa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/>. Our responsibilities are principally derived from the Local Audit and Accountability Act 2014 (the 2014 Act) and the Code of Audit Practice issued by the National Audit Office (NAO), as outlined below.

Audit opinion

We are responsible for forming and expressing an opinion on the financial statements. Our audit does not relieve management or the Audit Committee, as those charged with governance, of their responsibilities.

The Interim Executive Director of Finance and s151 Officer is responsible for the assessment of whether it is appropriate for the Council and Group to prepare its accounts on a going concern basis. As auditors, we are required to obtain sufficient appropriate audit evidence regarding, and conclude on: a) whether a material uncertainty related to going concern exists; and b) consider the appropriateness of the Interim Executive Director of Finance and s151 Officer's use of the going concern basis of accounting in the preparation of the financial statements.

Value for money

We are also responsible for forming a commentary on the arrangements that the Council and Group has in place to secure economy, efficiency and effectiveness in its use of resources. We discuss our approach to Value for Money work further in section 5 of this report.

Fraud

The responsibility for safeguarding assets and for the prevention and detection of fraud, error and non-compliance with law or regulations rests with both those charged with governance and management. This includes establishing and maintaining internal controls over reliability of financial reporting.

As part of our audit procedures in relation to fraud we are required to enquire of those charged with governance, including key management and internal audit as to their knowledge of instances of fraud, the risk of fraud and their views on internal controls that mitigate the fraud risks. In accordance with International Standards on Auditing (UK), we plan and perform our audit so as to obtain reasonable assurance that the financial statements taken as a whole are free from material misstatement, whether caused by fraud or error. However, our audit should not be relied upon to identify all such misstatements.

Wider reporting and electors' rights

We report to the NAO on the consistency of the Council and Group's financial statements with its Whole of Government Accounts (WGA) submission.

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Council and Group and consider any objection made to the accounts. We also have a broad range of reporting responsibilities and powers that are unique to the audit of local authorities in the United Kingdom.

Section 03:

Audit scope, approach and timeline

3. Audit scope, approach and timeline

Audit scope

Our audit approach is designed to provide an audit that complies with all professional requirements.

Our audit of the financial statements will be conducted in accordance with International Standards on Auditing (UK), relevant ethical and professional standards, our own audit approach and in accordance with the terms of our engagement. Our work is focused on those aspects of your activities which we consider to have a higher risk of material misstatement, such as those impacted by management judgement and estimation, application of new accounting standards, changes of accounting policy, changes to operations or areas which have been found to contain material errors in the past.

Audit approach

Our audit approach is risk-based and primarily driven by the issues that we consider lead to a higher risk of material misstatement of the accounts. Once we have completed our risk assessment, we develop our audit strategy and design audit procedures in response to this assessment.

If we conclude that appropriately-designed controls are in place then we may plan to test and rely upon these controls. If we decide controls are not appropriately designed, or we decide it would be more efficient to do so, we may take a wholly substantive approach to our audit testing. Substantive procedures are audit procedures designed to detect material misstatements at the assertion level and comprise: tests of details (of classes of transactions, account balances, and disclosures); and substantive analytical procedures. Irrespective of the assessed risks of material misstatement, which take into account our evaluation of the operating effectiveness of controls, we are required to design and perform substantive procedures for each material class of transactions, account balance, and disclosure.

Our audit will be planned and performed so as to provide reasonable assurance that the financial statements are free from material misstatement and give a true and fair view. The concept of materiality and how we define a misstatement is explained in more detail in section 8.

The diagram on the next page outlines the procedures we perform at the different stages of the audit.

3. Audit scope, approach and timeline

Planning September – October 2022

- Planning visit and developing our understanding of the Council
- Initial opinion and value for money risk assessments
- Considering proposed accounting treatments and accounting policies
- Developing the audit strategy and planning the audit work to be performed
- Agreeing timetable and deadlines
- Preliminary analytical review

Completion December 2022 – March 2023

- Final review and disclosure checklist of financial statements
- Final partner and EQCR review
- Accounting and Technical Service review of the financial statements
- Agreeing content of letter of representation
- Reporting to the Audit Committee
- Reviewing subsequent events
- Signing the auditor's report

Interim September - October 2022

- Documenting systems and controls
- Performing walkthroughs
- Interim controls testing including tests of IT general controls
- Early substantive testing of transactions
- Reassessment of audit plan and revision if necessary

Fieldwork October – December 2022

- Receiving and reviewing draft financial statements
- Reassessment of audit plan and revision if necessary
- Executing the strategy starting with significant risks and high risk areas
- Communicating progress and issues
- Clearance meeting

3. Audit scope, approach and timeline

Group audit approach

In line with the requirements of the CIPFA Code of Practice, the Council has considered its interests in other entities and determined that group accounts are required which will consolidate its interest in Advance Northumberland only. This section sets out the planned work in respect of those entities which we refer to here as components.

Group materiality

Our assessment of group materiality is set out in section 8.

We assess the significance of the component as part of determining the level of work required. In assessing the significance of components, we consider a range of quantitative and qualitative factors including:

- whether a component exceeds a minimum of 15% of key benchmarks (income, expenditure, assets and liabilities);
- whether any financial statement area (FSA) is greater than 15% of the relevant FSA in the consolidated accounts and greater than performance materiality; and
- whether there are any risks of material misstatement in the components likely to result in material misstatement in the group financial statements.

Our assessment is summarised in the table below.

Entity	Nature of component / ownership	Auditor	Significant in terms of benchmarks?	Risks of material misstatement?	Scope / Commentary
The Council	Parent – local authority.	Mazars LLP	Yes	Yes	Full – ultimate parent.
Advance Northumberland Group	100% owned company of the Council. The principal activities of the Company are in relation to housing, commercial property, regeneration and business growth.	Mazars LLP	No	Yes	Material transactions and balances exist in relation to investment properties, work in progress (developments for sale outside the group), borrowings, gross income and gross expenditure

3. Audit scope, approach and timeline

Group audit approach (continued)

Nature and scope of planned work

The table below sets out the estimated proportion of each component, relative to the overall Group, as well as the nature and scope of planned work. Note these are estimates and we will update our assessment for any significant changes. This work is in addition to our review of group-wide controls and the consolidation process.

Nature of work

Planned procedures are split into the following categories:

- full scope audit;
- limited or specific review ; and
- other audit procedures, including group analytical procedures.

The component being treated as 'significant' and subject to a full scope audit review is Advance Northumberland.

Analysis of components

Component	% of total group revenues	% audited by Mazars	Nature of work	Scope of work
The Council	93.3%	100%	Full scope audit	Not applicable – this is the 'parent'
Advance Northumberland	6.7%	100%	Review of work undertaken by auditors of Advance in relation to investment properties, work in progress, borrowings, gross income and gross expenditure.	Critical evaluation of the findings by auditor of Advance Northumberland Group in the areas stated.
	100%	100%		

3. Audit scope, approach and timeline

Reliance on internal audit

Where possible we will seek to utilise the work performed by internal audit to modify the nature, extent and timing of our audit procedures. We will meet with internal audit to discuss the progress and findings of their work prior to the commencement of our controls evaluation procedures.

Where we intend to rely on the work on internal audit, we will evaluate the work performed by your internal audit team and perform our own audit procedures to determine its adequacy for our audit.

Management’s and our experts

Management makes use of experts in specific areas when preparing the financial statements. We also use experts to assist us to obtain sufficient appropriate audit evidence on specific items of account.

Item of account	Management’s expert	Our expert
Defined benefit liability	AON Hewitt Limited (Actuary)	National Audit Office, prepared by PwC.
Property, plant and equipment	Bruton Knowles (Valuer)	We will take into account relevant information which is available from third parties, including the NAO’s consulting valuer (Gerald Eve)
Financial instrument disclosures	Link Asset Services	We do not typically engage an audit expert to assess the reasonableness for your expert’s financial instrument valuation estimates. Where this is required we will engage our own internal experts

Service organisations

International Auditing Standards (UK) (ISAs) define service organisations as third party organisations that provide services to the Council and Group that are part of its information systems relevant to financial reporting. We are required to obtain an understanding of the services provided by service organisations as well as evaluating the design and implementation of controls over those services.

There are no material service organisations to consider for this Council.

04

Section 04:

**Significant risks and other key
judgement areas**

4. Significant risks and other key judgement areas

Following the risk assessment approach discussed in section 3 of this document, we have identified relevant risks to the audit of financial statements. The risks that we identify are categorised as significant, enhanced or standard. The definitions of the level of risk rating are given below:

Significant risk

A significant risk is an identified and assessed risk of material misstatement that, in the auditor's judgment, requires special audit consideration. For any significant risk, the auditor shall obtain an understanding of the entity's controls, including control activities relevant to that risk.

Enhanced risk

An enhanced risk is an area of higher assessed risk of material misstatement ('RMM') at audit assertion level other than a significant risk. Enhanced risks require additional consideration but does not rise to the level of a significant risk, these include but may not be limited to:

- key areas of management judgement, including accounting estimates which are material but are not considered to give rise to a significant risk of material misstatement; and
- other audit assertion risks arising from significant events or transactions that occurred during the period.

Standard risk

This is related to relatively routine, non-complex transactions that tend to be subject to systematic processing and require little management judgement. Although it is considered that there is a risk of material misstatement (RMM), there are no elevated or special factors related to the nature, the likely magnitude of the potential misstatements or the likelihood of the risk occurring.

4. Significant risks and other key judgement areas

Summary risk assessment

The summary risk assessment, illustrated in the table below, highlights those risks which we deem to be significant and other enhanced risks in respect of the Council and Group. We have summarised our audit response to these risks on the next page.

4. Significant risks and other key judgement areas

Specific identified audit risks and planned testing strategy

We have presented below in more detail the reasons for the risk assessment highlighted above, and also our testing approach with respect to significant risks. An audit is a dynamic process, should we change our view of risk or approach to address the identified risks during the course of our audit, we will report this to the Audit Committee.

Significant risks

	Description	Fraud	Error	Judgement	Planned response
1	<p>Management override of controls (single entity and group accounts)</p> <p>This is a mandatory significant risk on all audits due to the unpredictable way in which such override could occur.</p> <p>Management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur there is a risk of material misstatement due to fraud on all audits.</p>	●	○	○	We plan to address the management override of controls risk through performing audit work over accounting estimates, journal entries and significant transactions outside the normal course of business or otherwise unusual.

4. Significant risks and other key judgement areas

Significant risks

	Description	Fraud	Error	Judgement	Planned response
2	<p>Defined benefit liability valuation</p> <p>The financial statements contain material pension entries in respect of the retirement benefits. The calculation of these pension figures, both assets and liabilities, can be subject to significant volatility and includes estimates based upon a complex interaction of actuarial assumptions. This results in an increased risk of material misstatement.</p>	○	●	●	<p>We will:</p> <ul style="list-style-type: none"> critically evaluate the Council's arrangements (including relevant controls) for making estimates in relation to pension entries within the financial statements; and challenge the reasonableness of the Actuary's assumptions that underpin the relevant entries made in the financial statements, through the use of an expert commissioned by the National Audit Office; critically assess the competency, objectivity and independence of the Actuary; liaise with the auditors of the Pension Fund to gain assurance that the overall IAS19 procedures and controls in place at the Pension Fund are operating effectively; compare assumptions to expected ranges, using information provided by the consulting actuary engaged by the National Audit Office; and agree data in the Actuary's valuation report for accounting purposes to the relevant accounting entries and disclosures in the Council's financial statements;.

4. Significant risks and other key judgement areas

Significant risks

	Description	Fraud	Error	Judgement	Planned response
3	<p>Property, plant and equipment valuation, including investment property</p> <p>The financial statements contain material entries on the balance sheet as well as material disclosure notes in relation to the Council's holding of property, plant and equipment (including the Council's PFI waste facility).</p> <p>The Council employs valuation experts to provide information on valuations, however there remains a high degree of estimation uncertainty associated with the (re)valuations of property, plant and equipment due to the significant judgements and number of variables involved.</p>	○	●	●	<p>We will:</p> <ul style="list-style-type: none"> critically assess the Council's arrangements for ensuring that property, plant and equipment valuations are reasonable and not materially misstated; critically assess the basis of valuations, using third party trend data where appropriate, as part of our challenge of the reasonableness of the valuations provided by Valuers, including the PFI shared waste facility; consider the competence, skills and experience of the Valuers and the instructions issued to the Valuers; substantively test revaluations, including critically reviewing the Council's own consideration of assets not revalued in the year and why they are not materially misstated; liaise with the Council's new external valuation expert, Bruton Knowles, to understand their approach; and where necessary, perform further audit procedures on individual assets to ensure the basis of valuations is appropriate.

4. Significant risks and other key judgement areas

Significant risks

	Description	Fraud	Error	Judgement	Planned response
4	<p>Enhanced risk: accounting for PFI arrangements</p> <p>The Council has two PFI arrangements, covering:</p> <ul style="list-style-type: none"> • fire & rescue; and • a shared waste facility. <p>The method of accounting for PFI assets/liabilities is complex, therefore, this increases the risk of misstatement.</p>	○	●	●	<p>We will:</p> <ul style="list-style-type: none"> • review the Council’s adopted approach for accounting for its PFI arrangements; • review any changes from prior years to the long term financial model used; • critically review the assumptions made by management; and • assess the completeness and accuracy of disclosures.

05

Section 05:

Value for money arrangements

5. Value for money arrangements

The framework for our work

We are required to form a view as to whether the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out in order to form our view, and sets out the overall criterion and sub-criteria that we are required to consider.

2021/22 will be the second audit year where we are undertaking our value for money (VFM) work under the 2020 Code of Audit Practice (the Code). Our responsibility remains to be satisfied that the Council has proper arrangements in place and to report in the audit report and/or the audit completion certificate where we identify significant weaknesses in arrangements. Separately we provide a commentary on the Council's arrangements in the Auditor's Annual Report.

Specified reporting criteria

The Code requires us to structure our commentary to report under three specified criteria:

- 1. Financial sustainability** – how the Council plans and manages its resources to ensure it can continue to deliver its services.
- 2. Governance** – how the Council ensures that it makes informed decisions and properly manages its risks.
- 3. Improving economy, efficiency and effectiveness** – how the Council uses information about its costs and performance to improve the way it manages and delivers its services.

Our approach

Our work falls into three primary phases as outlined opposite. We need to gather sufficient evidence to support our commentary on the Council's arrangements and to identify and report on any significant weaknesses in arrangements. Where significant weaknesses are identified we are required to report these to the Council and make recommendations for improvement. Such recommendations can be made at any point during the audit cycle and we are not expected to wait until issuing our overall commentary to do so.

<p>Planning and risk assessment</p>	<p>Obtaining an understanding of the Council's arrangements for each specified reporting criteria. Relevant information sources will include:</p> <ul style="list-style-type: none"> • NAO guidance and supporting information; • information from internal and external sources including regulators; • knowledge from previous audits and other audit work undertaken in the year; and • interviews and discussions with officers and Members.
<p>Additional risk based procedures and evaluation</p>	<p>Where our planning work identifies risks of significant weaknesses, we will undertake additional procedures to determine whether there is a significant weakness.</p>
<p>Reporting</p>	<p>We will provide a summary of the work we have undertaken and our judgements against each of the specified reporting criteria as part of our commentary on arrangements. This will form part of the Auditor's Annual Report.</p> <p>Our commentary will also highlight:</p> <ul style="list-style-type: none"> • significant weaknesses identified and our recommendations for improvement; and • emerging issues or other matters that do not represent significant weaknesses but still require attention from the Council.

5. Value for money arrangements

Identified risks of significant weaknesses in arrangements

The NAO's guidance requires us to carry out work at the planning stage to understand the Council's arrangements and to identify risks that significant weaknesses in arrangements may exist.

As a consequence of the delayed completion of our 2019/20 and 2020/21 audits we have not yet fully completed our planning and risk assessment work. Once completed, we will report our initial risk assessment to the Audit Committee.

06

Section 06:

Fees for audit and other services

6. Fees for audit and other services

Fees for work as the Council's appointed auditor

At this stage of the audit we are not planning any divergence from the scale fees set by PSAA, subject to consideration by Public Sector Audit Appointments Limited of any recurring fee increases arising from the 2019/20 audit, in relation to testing of:

- property, plant and equipment valuations; and
- audit work in respect of the net defined benefits liability.

Area of work	2021/22 proposed fee	2020/21 fee
Code audit work – scale fee	£170,000*	£170,000*
Additional work in response to regulatory recommendations to increase level of audit work on the valuation of property plant and equipment	To be agreed	To be agreed
Additional work in response to regulatory recommendations to increase level of audit work on defined benefit liability schemes.	To be agreed	To be agreed

* an additional fee in respect of 2019/20, 2020/21 and 2021/22 work will be calculated and discussed with officers; the next stage will be consideration and approval by Public Sector Audit Appointments Limited.

Fees for non-PSAA work

In addition to the fees outlined above in relation to our appointment by PSAA, we have been separately engaged by the Council to carry out additional work as set out in the table below. Before agreeing to undertake any additional work we consider whether there are any actual, potential or perceived threats to our independence. Further information about our responsibilities in relation to independence is provided in section 7.

Area of work	2021/22 fee	2020/21 fee
Assurance Services: Housing Benefit Subsidy	£10,610	£10,300
Assurance Services: Teachers' Pension return	£4,250	£4,120
Assurance Services: Pooling of Housing Capital Receipts	£3,280	£3,190

07

Section 07:

Our commitment to independence

7. Our commitment to independence

We are committed to independence and are required by the Financial Reporting Council to confirm to you at least annually in writing that we comply with the FRC's Ethical Standard. In addition, we communicate any matters or relationship which we believe may have a bearing on our independence or the objectivity of the audit team.

Based on the information provided by you and our own internal procedures to safeguard our independence as auditors, we confirm that in our professional judgement there are no relationships between us and any of our related or subsidiary entities, and you and your related entities creating any unacceptable threats to our independence within the regulatory or professional requirements governing us as your auditors.

We have policies and procedures in place which are designed to ensure that we carry out our work with integrity, objectivity and independence. These policies include:

- all partners and staff are required to complete an annual independence declaration;
- all new partners and staff are required to complete an independence confirmation and also complete computer based ethical training;
- rotation policies covering audit engagement partners and other key members of the audit team; and
- use by managers and partners of our client and engagement acceptance system which requires all non-audit services to be approved in advance by the audit engagement partner.

We confirm, as at the date of this document, that the engagement team and others in the firm as appropriate, Mazars LLP are independent and comply with relevant ethical requirements. However, if at any time you have concerns or questions about our integrity, objectivity or independence please discuss these with Cameron Waddell in the first instance.

Prior to the provision of any non-audit services Cameron Waddell will undertake appropriate procedures to consider and fully assess the impact that providing the service may have on our auditor independence.

Any emerging independence threats and associated identified safeguards will be communicated in our Audit Completion Report.

08

Section 08:

Materiality and misstatements

8. Materiality and misstatements

Summary of initial materiality thresholds

Threshold	Initial threshold Council £'000s	Initial threshold Group £'000s
Overall materiality	18,032	18,735
Performance materiality	12,622	13,114
Trivial threshold for errors to be reported to the Audit Committee.	541	562

Materiality

Materiality is an expression of the relative significance or importance of a particular matter in the context of financial statements as a whole.

Misstatements in financial statements are considered to be material if they, individually or in aggregate, could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Judgements on materiality are made in light of surrounding circumstances and are affected by the size and nature of a misstatement, or a combination of both. Judgements about materiality are based on consideration of the common financial information needs of users as a group and not on specific individual users.

The assessment of what is material is a matter of professional judgement and is affected by our perception of the financial information needs of the users of the financial statements. In making our assessment we assume that users:

- have a reasonable knowledge of business, economic activities and accounts;
- have a willingness to study the information in the financial statements with reasonable diligence;
- understand that financial statements are prepared, presented and audited to levels of materiality;
- recognise the uncertainties inherent in the measurement of amounts based on the use of estimates, judgement and the consideration of future events; and
- will make reasonable economic decisions on the basis of the information in the financial statements.

We consider materiality whilst planning and performing our audit based on quantitative and qualitative factors.

Whilst planning, we make judgements about the size of misstatements which we consider to be material and which provides a basis for determining the nature, timing and extent of risk assessment procedures, identifying and assessing the risk of material misstatement and determining the nature, timing and extent of further audit procedures.

The materiality determined at the planning stage does not necessarily establish an amount below which uncorrected misstatements, either individually or in aggregate, will be considered as immaterial.

8. Materiality and misstatements

Materiality (continued)

We revise materiality for the financial statements as our audit progresses should we become aware of information that would have caused us to determine a different amount had we been aware of that information at the planning stage.

Our provisional materiality is set based on a benchmark of gross expenditure at the net cost of services level. We will identify a figure for materiality but identify separate levels for procedures designed to detect individual errors, and also a level above which all identified errors will be reported to the Audit Committee.

We consider that the gross expenditure at the net cost of services level remains the key focus of users of the financial statements and, as such, we base our materiality levels around this benchmark.

We expect to set a materiality threshold at 1.8% of the benchmark.

Based on the prior year financial statements, we anticipate the overall materiality for the year ending 31 March 2022 to be in the region of £18.032 million for the Council and £18.735 million for the Group (prior year at the planning stage was £15.398 million for the Council and £16.655 million for the Group).

After setting initial materiality, we continue to monitor materiality throughout the audit to ensure that it is set at an appropriate level.

Performance Materiality

Performance materiality is the amount or amounts set by the auditor at less than materiality for the financial statements as a whole to reduce, to an appropriately low level, the probability that the aggregate of uncorrected and undetected misstatements exceeds materiality for the financial statements as a whole.

Our initial assessment of performance materiality is based on low inherent risk, meaning that we have applied 70% of overall materiality as performance materiality.

Misstatements

We accumulate misstatements identified during the audit that are other than clearly trivial. We set a level of triviality for individual errors identified (a reporting threshold) for reporting to the Audit Committee that is consistent with the level of triviality that we consider would not need to be accumulated because we expect that the accumulation of such amounts would not have a material effect on the financial statements. Based on our preliminary assessment of overall materiality, our proposed triviality threshold is £541,000 for the Council and £562,000 for the Group based on 3% of overall materiality. If you have any queries about this please do not hesitate to raise these with Cameron Waddell.

Reporting to the Audit Committee

The following three types of audit differences above the trivial threshold will be presented:

- summary of adjusted audit differences;
- summary of unadjusted audit differences; and
- summary of disclosure differences (adjusted and unadjusted).

Appendix: Key communication points

Appendix: Key communication points

We value communication with Those Charged With Governance as a two way feedback process at the heart of our client service commitment. ISA 260 (UK) 'Communication with Those Charged with Governance' and ISA 265 (UK) 'Communicating Deficiencies In Internal Control To Those Charged With Governance And Management' specifically require us to communicate a number of points with you.

Relevant points that need to be communicated with you at each stage of the audit are outlined below.

Form, timing and content of our communications

We will present the following reports:

- Audit Strategy Memorandum;
- Audit Completion Report; and
- Auditor's Annual Report

These documents will be discussed with management prior to being presented to yourselves and their comments will be incorporated as appropriate.

Key communication points at the planning stage as included in this Audit Strategy Memorandum

- Our responsibilities in relation to the audit of the financial statements;
- The planned scope and timing of the audit;
- Significant audit risks and areas of management judgement;

- Our commitment to independence;
- Responsibilities for preventing and detecting errors;
- Materiality and misstatements; and
- Fees for audit and other services.

Key communication points at the completion stage to be included in our Audit Completion Report

- Significant deficiencies in internal control;
- Significant findings from the audit;
- Significant matters discussed with management;
- Our conclusions on the significant audit risks and areas of management judgement;
- Summary of misstatements;
- Management representation letter;
- Our proposed draft audit report; and
- Independence.

ISA (UK) 260 'Communication with Those Charged with Governance', ISA (UK) 265 'Communicating Deficiencies In Internal Control To Those Charged With Governance And Management' and other ISAs (UK) specifically require us to communicate the following:

Required communication	Where addressed
Our responsibilities in relation to the financial statement audit and those of management and those charged with governance.	Audit Strategy Memorandum
The planned scope and timing of the audit including any limitations, specifically including with respect to significant risks.	Audit Strategy Memorandum
With respect to misstatements: <ul style="list-style-type: none"> • uncorrected misstatements and their effect on our audit opinion; • the effect of uncorrected misstatements related to prior periods; • a request that any uncorrected misstatement is corrected; and • in writing, corrected misstatements that are significant. 	Audit Completion Report
With respect to fraud communications: <ul style="list-style-type: none"> • enquiries of the Audit Committee to determine whether they have a knowledge of any actual, suspected or alleged fraud affecting the entity; • any fraud that we have identified or information we have obtained that indicates that fraud may exist; and • a discussion of any other matters related to fraud. 	Audit Completion Report and discussion at the Audit Committee Audit planning and clearance meetings

Appendix: Key communication points

Required communication	Where addressed
<p>Significant matters arising during the audit in connection with the entity’s related parties including, when applicable:</p> <ul style="list-style-type: none"> • non-disclosure by management; • inappropriate authorisation and approval of transactions; • disagreement over disclosures; • non-compliance with laws and regulations; and • difficulty in identifying the party that ultimately controls the entity. 	<p>Audit Completion Report</p>
<p>Significant findings from the audit including:</p> <ul style="list-style-type: none"> • our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures; • significant difficulties, if any, encountered during the audit; • significant matters, if any, arising from the audit that were discussed with management or were the subject of correspondence with management; • written representations that we are seeking; • expected modifications to the audit report; and • other matters, if any, significant to the oversight of the financial reporting process or otherwise identified in the course of the audit that we believe will be relevant to the Audit Committee in the context of fulfilling their responsibilities. 	<p>Audit Completion Report</p>
<p>Significant deficiencies in internal controls identified during the audit.</p>	<p>Audit Completion Report</p>
<p>Where relevant, any issues identified with respect to authority to obtain external confirmations or inability to obtain relevant and reliable audit evidence from other procedures.</p>	<p>Audit Completion Report</p>

Appendix: Key communication points

Required communication	Where addressed
<p>Audit findings regarding non-compliance with laws and regulations where the non-compliance is material and believed to be intentional (subject to compliance with legislation on tipping off) and enquiry of the Audit Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the Audit Committee may be aware of.</p>	<p>Audit Completion Report and Audit Committee meetings</p>
<p>With respect to going concern, events or conditions identified that may cast significant doubt on the entity’s ability to continue as a going concern, including:</p> <ul style="list-style-type: none"> • whether the events or conditions constitute a material uncertainty; • whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements; and • the adequacy of related disclosures in the financial statements. 	<p>Audit Completion Report</p>
<p>Reporting on the valuation methods applied to the various items in the annual financial statements including any impact of changes of such methods</p>	<p>Audit Completion Report</p>
<p>Explanation of the scope of consolidation and the exclusion criteria applied by the entity to the non-consolidated entities, if any, and whether those criteria applied are in accordance with the relevant financial reporting framework.</p>	<p>Audit Strategy Memorandum and/or Audit Completion Report as appropriate</p>
<p>Where applicable, identification of any audit work performed by component auditors in relation to the audit of the consolidated financial statements other than by Mazars’ member firms.</p>	<p>Audit Strategy Memorandum and/or Audit Completion Report as appropriate</p>
<p>Indication of whether all requested explanations and documents were provided by the entity.</p>	<p>Audit Completion Report</p>
