

**Audit Committee Arrangements: Initial Self-Assessment of Good Practice (November 2022)**

(taken from CIPFA, *Audit Committees: Practical Guidance for Local Authorities and Police*, published October 2022)

CIPFA states that this checklist provides a high-level review that incorporates the key principles set out in CIPFA's Position Statement on Audit Committees in Local Authorities, and the wider *Practical Guidance* publication referred to above. CIPFA states:

*“Where an audit committee has a high degree of performance against the good practice principles, it is an indicator that the committee is soundly based and has in place a knowledgeable membership. These are the essential factors in developing an effective audit committee. A regular self-assessment should be used to support the planning of the audit committee work programme and training plans. It will also inform the annual report.”*
