<p>Alternative Provision to Support Children Permanently Excluded from School The report seeks permission from Cabinet to undertake a tender process to support the provision of Alternative Education for children of statutory school age. This is a statutory service which is demand led meaning that the Council must provide full time schooling for permanently excluded pupils from the 6th school day. The request is necessary due to the approaching expiry of an existing tender and a likely change in emphasis by the Department for Education in respect of regulation which may have an impact upon levels of expenditure.
