## Weekly Road Fuel Prices

**Publication date:** 24-Jan-2023

**Data period:** New data for week commencing 23 January 2023

**Next update:** 31-Jan-2023

### About this data

BEIS' weekly road fuel price statistics provide average UK retail ('pump') prices on a weekly basis. The data is used to monitor road fuel prices in the UK, and to compare UK road fuel prices with other EU countries. Weekly price data is published on the BEIS website the day after collection.
