REVISED OUTLINE BUSINESS CASE FOR BERWICK THEATRE: SUPPLEMENTARY PAPER TO ITEM 14

Report of: Councillor Glen Sanderson

Lead Officer: Janice Rose, Interim Executive Director of Regeneration

Purpose of report

To present a supplementary recommendation to the published Cabinet report

Supplementary Recommendations

Cabinet is recommended to approve the request to enter into contract with MICA Architects at the sum of £2,180,426.67

Background

Following a procurement exercise that concluded on 27th September 2022 the tender evaluation panel recommended the appointment of MICA Architects as the Most Economically Advantageous Tender (based upon an 80% quality, 20% price ratio).

The recommendation to appoint MICA Architects has been accepted by the Berwick Maltings Theatre Project Board including the Executive Sponsor (Janice Rose) and the Maltings Trust.

Cabinet approval is now requested to enter into a contract with MICA Architects at the sum of £2,180,426.67. This cost is contained within the overall budget envelope described within the revised Outline Business Case and Paragraph 17 of the associated Cabinet report of 14th February 2023.
