### 3. LICENSING OBJECTIVES AND AIMS

Legislation provides a clear focus on the promotion of the four statutory objectives which must be addressed when licensing functions are undertaken.

An application for a premises licence must be considered on whether the licence holder can demonstrate that the licence will not create any issues in relation to the licensing objectives.

The licensing objectives being: -

- **The prevention of crime and disorder** - relating to any crime, disorder or anti-social behaviour at the premises or related to the management of the premises.
- **Public safety** - relating to the safety of the public on the premises, i.e., fire safety, electrical circuitry, lighting, building safety or capacity, and first aid.
- **The prevention of public nuisance** - relating to issues such as hours of operation, noise emanating from the premises, vibrations, lighting and litter.
- **The protection of children from harm** - relating to protecting children from the activities carried out on the premises whilst they are there. The law already provides special protections for children under 18 to buy alcohol.

Members are reminded that each objective is of equal importance. There are no other statutory licensing objectives, therefore the promotion of the four objectives is a paramount consideration at all times.

### 4. Appeals
