<p>Northumberland Stewardship and Rural Growth Investment Programme – Nature Recovery Response As well as being a statutory requirement, the development of an ambitious North of Tyne Local Nature Recovery Strategy will support important elements of the Stewardship and Rural Growth Investment Plan, specifically Strategic Investment Programme 1: Decarbonisation, Biodiversity and Resilience, and will also support the Local Investment in Natural Capital Programme that Northumberland and four other local authorities are piloting for DEFRA. This report will propose governance arrangements for the North of Tyne Local Nature Recovery Strategy (LNRS). It will also propose that Northumberland County Council joins other local authorities in declaring an ecological emergency to coincide with the commencement of work on the LNRS. This will create a framework for the Council's work on nature recovery and will also be a public statement of intent, acknowledging the widespread and growing concern about the state of nature in the UK.
