Do you think it would be a good thing for children to leave Holy Trinity First School at the end of Year 4 to go to the next school or whether it would be good to stay at this school until the end of Year 6?

**19 children wanted to keep Middle Schools.**

**Reasons:**

- You need to practice being nervous so moving on can be a good thing
- Teachers may lose their jobs which is a shame
- Not fair to change the system now that we are on the way through
- There may be lots of new friends to make
- It will be fun to do subjects with different teachers
- Experiences in life are good and I feel prepared for the change
- Middle schools get you ready for high school and college
- See more culture and variety in a bigger school.
- The children caught in the middle of the moving will be disadvantaged
- School trips at middle schools can last longer – even up to a week
- First schools are good and give you a great start
- My mum would lose her job

- We should stay as there is no point having three schools when you could have two
- We already know our teachers and our school
- It would be nice to stay with a lovely friendly class
- It would be good to be primary schools and bond more tightly

**3 children did not know**
