**Subject:** [EXTERNAL]: Re: HHMC TPO Objection - Form to Sign

Dear Will,

Please accept this email as my support for your objection to the TPO at Hebron Hill.

As I am currently out of the country I cannot provide a signed declaration of my support for the objection.

I can confirm that prior to the TPO being applied I had been engaged by HHMC to produce a tree management strategy and plan for the area affected.

The area has previously been developed and no further development is planned.

The trees are not under threat of removal.

Any significant works beyond clearance of dead or weak specimens would be likely to require a felling licence.

In short as there is no threat to the trees the application of a TPO would not serve any useful purpose.

Regards,

Jim Richardson
