An Infrastructure Funding Statement (IFS) is a document that must be published each year by a “contribution receiving authority”. Northumberland County Council are a contribution receiving authority as we receive money or in-kind obligations from Section 106 agreements. This report covers the period 1st April 2022 to the 31st of March 2023.

This is the fourth report prepared by NCC and as a public sector body, we have a legal duty to make sure our websites and mobile apps are accessible. This year the report takes a different format so it can be published in a fully accessible format.

Members should note the amounts shown in this report is a ‘snapshot’ of the financial position of funds as of 31<sup>st</sup> March 2023 and some of the available funds may no longer be available.
