## **Draft Annual Governance Statement 2024-25**

**Report of Councillor(s)** Cllr Glen Sanderson, Leader of Council

**Responsible Officer(s):** Jan Willis, Executive Director for Resources & Transformation (S151)

### **1. Link to Key Priorities of the Corporate Plan**

Effective governance arrangements are critical to the delivery of all three priorities in the Council's Corporate Plan.

### **2. Purpose of report**

The purpose of this report is to enable the Audit Committee to review the initial draft Annual Governance Statement for 2024-25 and consider whether it properly reflects the risk environment and supporting assurances.

### **3. Recommendations**

3.1 It is recommended that Audit Committee:

- (i) Consider and comment on the initial draft Annual Governance Statement (shown in Appendix A).

### **4. Forward plan date and reason for urgency if applicable**

Not applicable

### **5. Background**

5.1 Under the Accounts and Audit Regulations 2015, the Council must ensure it has a sound system of internal control, which:

- Facilitates the effective exercise of its functions and the achievement of its aims and objectives;

- Ensures that the financial and operational management of the authority is effective; and,
  - Includes effective arrangements for the management of risk.
- 5.2 The 2015 Regulations also require the Council reviews (at least annually) the effectiveness of those systems of internal control, to ensure governance arrangements are up-to-date and relevant.
- 5.3 The outcome of that review must be considered by a committee of the Council and published in the Draft Annual Governance Statement (AGS), alongside the Draft Statement of Accounts.
- 5.4 The Audit Committee has responsibility for reviewing the Council's corporate governance arrangements against the good governance framework and for considering annual governance reports and assurances.
- 5.5 Local authorities are required to prepare an annual governance statement (AGS) to publicly report on the extent to which they comply with their own code of governance. This includes how they have monitored and evaluated, the effectiveness of their governance arrangements in the year, and on any planned changes in the coming year. In essence, the AGS is an accountability statement from the Council to its stakeholders on how well it has delivered on governance over the course of the previous year.
- 5.6 The AGS should provide a meaningful but brief communication regarding the review of governance that has taken place. It should be high level, strategic and written in an open and readable style. The AGS does not need to describe in detail the key elements of an authority's governance arrangements if they are already easily accessible by the public, such as through the authority's code of governance. The AGS should be signed by the Chief Executive and Leader of the Council and approved by a resolution of a committee or Full Council. In Northumberland, approval of the AGS has been delegated to the Council's Audit Committee.
- 5.7 The AGS should be consistent with the principles of good governance set out in *Delivering Good Governance in Local Government Framework (Governance Framework)* (CIPFA and Solace, 2016).
- 5.8 A consultation was recently undertaken on an addendum to the Framework (13 January to 10 March 2025). The addendum will replace Chapter 7 of the Framework publication. The 2016 publication and the seven principles of good governance remain unchanged.
- 5.9 In preparing the Council's Annual Governance Statement, we have followed the Framework and considered the proposed addendum. We are confident the current arrangements are in line with the guidance and the principles of good governance. Following the publication of the final addendum, we will update our Local Code and Constitution.
- 5.10 The initial draft AGS is set out at Appendix A. Following consideration of this draft, a further draft will be brought to Audit Committee ahead of being subject to audit with the draft the draft Statement of Accounts.

## 6. Options open to the Council and reasons for the recommendations

- 6.1 The Council is required, by audit regulations, to review and refresh its annual Governance Statement.

## 7. Implications

<b>Policy</b>	Effective corporate governance supports the delivery of all three Council priorities, as outlined in the Corporate Plan.
<b>Finance and value for money</b>	There are no direct financial implications associated with this report. However, financial planning and management are key components of effective corporate governance.
