Subject: Rialto licensing Objection 12th July 2021 - RXA.HOL.356

[licensing@Northumberland.gov.uk](mailto:licensing@Northumberland.gov.uk)

To Whom it may concern,

I wish to object to the change in licensing application made by Rialto Restaurant Main Street Ponteland due to the points outlined below:

1) **Public Safety** - We are a small town with next to no police presence, how can we cope with cope with the large crowds arriving or leaving the venue (Potentially unruly and 5 x size of present capacity). Poor parking around the venue and a very busy road could be spilled onto causing traffic chaos for drivers on A696. This is already a very busy road with huge lorry's, and i worry someone may be hit if the road is blocked by parked or unloading vehicles. Also intoxicated patrons could wander onto a road which extremely dangerous for themselves and rother road users.

2) **Crime & Disorder** - Crime and Disorder is a huge a issue for us. Ponteland is a safe and small town have adequate police to control large crowds of intoxicated disorderly people. Increasing this venue size will almost defiantly create more social disorder and safety for us both is a huge issue. I would worry about walking past the venue at night with such a huge crowd.

3) **Nuisance** - As concerned Ponteland resident there will be loud noise generated from the music as well large crowds gathering causing noise pollution. This will increase the volume in the village and cause issues for local residents including myself.

Please note - Also find attached the signed Notice of Representation and Signed Objection Documents

Yours Sincerely

Lynne Hendry & Sam Hendry
