## Notice of Representation

Members of the public can submit representations in objection to or in support of the premises licence applications, within the 28 day consultation period.

Please be aware that for any objections to be considered relevant, they should be submitted before the end of the consultation period and they should address the four licensing objectives in relation to the licensing activity.

The licensing objectives are the prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm.

Please be aware that where representations are considered relevant copies of the representation will be provided to the applicant and the Licensing Sub Committee.

**Please note: Objections will only be considered where a name and address are supplied.**

Name: John Hewett

Address: 84 Dunsgreen, Ponteland, Northumberland, NE20 9EJ

Licensing Objective: Prevention of public nuisance

Premises: Rialto's, Ponteland, Northumberland

### Reason for Representation:

- The land for which the licence has been applied is within the Ponteland Conservation Area. Extensive food & drinking facilities, recorded & live music and the associated noise and presence would not be in keeping with this area. I therefore object to the application on this count.
- The land for which this licensing application has been made lies close to private housing. Closest are Auberne and Athol House. At present Auberne is derelict and for sale but it is the intention that it will be occupied. Athol House is empty and due to be demolished but it will be rebuilt and occupied as secure housing for the elderly.

In Section 19 of the application it states "Noise ... shall be inaudible at the boundary of the nearest residential dwellings". This not only includes the above mentioned dwellings but others on Callerton lane and in the Main Street.

I therefore object to the application on this count.
