

# Notice of Representation

Members of the public can submit representations in objection to or in support of the premises licence applications, within the 28 day consultation period.

Please be aware that for any objections to be considered relevant, they should be submitted before the end of the consultation period and they should address the four licensing objectives in relation to the licensing activity.

The licensing objectives are the prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm.

Please be aware that where representations are considered relevant copies of the representation will be provided to the applicant and the Licensing Sub Committee.

**Please note: Objections will only be considered where a name and address are supplied.**

Name: .....NIGEL HOGG

Address: 38 Longmeadows, Ponteland, NE209DY

Licensing Objective: NZ16600 72807

Premises: RIALTO PROPOSED PLAN

Reasons for Representation:

1. Protection of children from harm
2. Prevention of crime and disorder
3. Public safety
4. Prevention of public nuisance.

I strongly object to the above application on the following grounds;

Agreed Condition 1 - Installation of a CCTV system as per condition 1, is highly unlikely to influence **representation 2 or 4** and will not prevent crime or disorder.

Agreed condition 17 – Once clients leave the premises this will not prevent **representation 1,2, 3 or 4.**

Agreed condition 18 – Should this condition materialise, it will have already contravened **representation 4** (prevention of a public nuisance). Also what control measure will be used to

Agreed condition 19 – This agreed condition is highly unlikely to have been measured during the more silent hours when sound carries much further, therefore failing to uphold **representation 4.**

In general I believe **Representation 2** cannot be upheld through the application and therefore there are second and third order effects with **Representation 3 and 4**. Up until 2100 (and potentially beyond), **Representation 1** cannot be mitigated.
