3) Public Safety

There will be a huge increase in the number of cars, they will be forced to park on already congested roads which will be a danger to all pedestrians especially children.
It will obstruct pavements and roads leading to circulation's frustration to all drivers and pedestrians in the area.

4) Protection of Children from Harm

The extra people and cars caused by the license change will endanger children who live and work in the village area.
There will be danger on the roads and the congested pavements.
There is a potential danger with hear abusive language from the disabled when alcohol consumption has been increased.
