Reason for Representation:

*(continue on separate sheet if necessary)*

*I object to this application for the following reasons:*

1. *The land covered by this application falls totally within the "Ponteland Conservation Area" The definition of a "Conservation Area" is an area of special historic or architectural interest which it is desirable to preserve or enhance.*

*The provision of amplified, outdoor live and recorded music/alcohol/food is not compatible with a conservation area, nor in keeping with the character and heritage of the centre of Ponteland, nor conducive to maintaining good public order.*

2. *The increased road traffic brought about by this application will exacerbate an already congested round-about and traffic lights in the centre of Ponteland. As the licence is for thirteen hours each day of the week this will be an issue at peak times and weekends and add a further risk to road and pedestrian safety.*

3. *There is no possibility that amplified live and recorded music will be contained within the defined area, thus causing a nuisance to locals and in particular to residents in nearby dwellings.*
