Regarding NZ 16600 72807  
Licenses for music and sale of alcohol

I am objecting to these licenses being granted for the following reasons.

- 1) The restaurant and adjacent land are in a conservation area.
- 2) The type of development (shipping containers) is not in keep with the surroundings area.
- 3) There are sufficient eating and drinking places in Ponteland.
- 4) I live 400m from this proposed development and there are many Ponteland residents who already hear live music from the Diamond and Seven Stars pubs. Further noise pollution is not welcome from this and noisy customers.

Thank you,
