Dear Sir/Madam

I would like to object to the proposed new premises license application for outdoor live music and late-night refreshments behind Rialto, 1 Main Street, Ponteland.

My concerns relate to several issues:

1. The noise that this new premise license will generate which is situated in very close proximity to residential areas.
2. An increase in late night drinking, antisocial behaviour and possible crime.
3. An increase and encouragement in all day drinking.
4. This proposed new premise is not in keeping with the local area, which already has very well-established traditional leisure and social facilities.

Please log these concerns as an objection against the application

Many thanks

Yours
