Good morning Helen,

Thank you for your e mail which I have just received.

I wish to make an objection to the new alcohol licence Rialtos want in Ponteland for the following reasons :

Customers fuelled with drink could adversely effect children as there are children's nurseries very nearby.

Extra trading hours will cause far more crime & disorder in Ponteland, which at the minute has a very low crime rate.

The safety of the public would be put at risk because of the extra drinking hours.

The extra trading hours would cause a lot more noise for the surrounding properties.

I hope this is now worded correctly for you to take my objection on board !

Good morning

Thank you for your representation in relation to the Premises Licence application for Rialto.

As your representation does not refer to how the granting of the licence would adversely affect the four licensing objectives; it has been rejected.
