The report also asks Cabinet to approve the circulation of the plan to schools and academies for information and feedback prior to its subsequent publication. This latest version of the plan covers the period 2021 to 2024, but it will be subject to annual update in order to capture changing information or circumstances relating to schools and academies as appropriate.</p> <p>(G. Renner Thompson/S. Aviston – 01670 622281)</p>		
<p>Education Infrastructure Contribution Policy</p> <p>This report asks Cabinet and FACS to note the update of the Education Infrastructure Contribution Policy. The policy was first approved by Cabinet in 2017 but has not been updated due to proposals by Planning Services to create an authority-wide contributions policy and by Government to overhaul the current system of securing developer contributions, neither of which have as yet been implemented.</p> <p>However, the report ostensibly requests Cabinet’s approval to increase the amount of contribution requested within the policy from developers in relation to Special Educational Needs infrastructure in order to reflect that the percentage of the population of school-age students in Northumberland with complex needs has risen from 3% to 4% since 2017. Cabinet and FACS are also asked to note that some minor non-material amendments have also been made to update the policy.</p> <p>(G. Renner Thompson/S. <p>Thirston Neighbourhood Plan To seek approval to formally 'make' the Thirston Neighbourhood Plan. The Plan passed independent examination in June 2021. A local referendum will be held in the Parish of Thirston on 16 September 2021 and it is expected that there will be a majority vote in favour of using the Plan to make decisions on planning applications. The Council will then be obliged by statute to make the Neighbourhood Plan unless it considers that doing so would breach European Union obligations, and that action should be completed within 8 weeks of the date of the referendum. <p>Proposal to amalgamate Seaton Sluice Middle and Whytrig Middle Schools on an Existing Site This report sets out a proposal to amalgamate Seaton Sluice Middle School and Whytrig Middle School in new shared buildings with Astley Community High School, necessitating the formal closure of Seaton Sluice Middle</p>	FACS 7 October 2021	12 October 2021

<p>School. This proposal has been put forward by the federated Governing Body of the Seaton Valley Federation which governs all 3 schools. This proposal has arisen as an extension of the project to reprovide new buildings for Astley Community High School and Whytrig Middle School on their current site, these two schools already being co-located in Seaton Delaval. The initial project was limited to the reprovision of new buildings for Astley High School and Whytrig Middle school; however the Governing Body has identified a number of educational and financial reasons why it would be beneficial for all students within the Seaton Valley Federation to be co-located on one site, which are outlined in the report. Therefore, the Governing Body has requested the Council to undertake the required consultation on the amalgamation of Seaton Sluice Middle School with Whytrig Middle School.</p> <p>Under the proposal, as Seaton Sluice Middle School would effectively close, it falls within the requirements of <i>The School Organisation (Establishment and Discontinuance of Schools) Regulations 2013</i> which requires that statutory consultation be undertaken. While the proposal to provide new buildings on the current Astley High School site itself does not require a statutory process to be undertaken, it is following a separate process to gain the necessary Cabinet approvals. This report is therefore limited to a request for approval from Cabinet to begin formal consultation on the relocation of Seaton Sluice Middle School.</p> <p>(G. Renner Thompson/S. Aviston – 01670 01670 622281)</p>		
Proposals for Atkinson House	FACS 7 October 2021	12 October 2021

<p>This report sets out proposals for Atkinson House Special School in Seghill, a secondary provision for boys with Social, Emotional and mental health (SEMH) needs in Northumberland. The proposals are:</p> <ul style="list-style-type: none"> • To relocate the school to a new site at the former Richard Coates CE Primary School building in Ponteland; • To change the designation of the school from single sex provision to co-educational provision in light of the growing number of girls who are being assessed as having SEMH needs in Northumberland. <p>The nature of these proposals require that a statutory process would need to be undertaken prior to any final decision being made by Cabinet. Cabinet is therefore also asked to permit the initiation of the statutory process, beginning with approval for a six week informal public consultation process. Cabinet may be requested to permit the publication of a Statutory Proposal in relation to these proposals at a future date following the outcome of consultation. (G. Renner Thompson/S. Aviston – 01670 01670 622281)</p>
