Dear Ms Debbie,

Thank you for your letter of the 10th. September, 2021.

I appreciate that this is late in these proceedings but I would like to suggest the following:-

We have no objections to a licence being granted for the following times:-

One hour before the start of any cricket match and two hours after the end of any cricket match.

The current proposed hours would be acceptable for a public house but this is a small cricket club with a bar area of approximately 300/400 square feet in a quiet residential area.

Yours sincerely

Colin Lisgo

There also needs to be a limit to how many occasional licences would be granted in one year. How long can a cricket match go on for? There needs to be a cut off point, should a game go on and on.
