MAKING THE LONGFRAMLINGTON NEIGHBOURHOOD PLAN

Report of the Chief Executive

Cabinet Member: Councillor Colin Horncastle, Community Services

Purpose of report

To seek approval to formally 'make' the Longframlington Neighbourhood Plan. The Plan passed independent examination in October 2021. A local referendum held in the Parish of Longframlington on 20th January 2022 returned a majority vote in favour of using the Plan to make decisions on planning applications. The Council is now obliged by statute to make the Neighbourhood Plan unless it considers that doing so would breach European Union obligations.

Recommendations

It is recommended that Cabinet:

- i. Notes the referendum outcome of 20th January 2022
- ii. Agrees to formally 'make' the Longframlington Neighbourhood Plan in accordance with section 38A(4)(a) of the Planning and Compulsory Purchase Act 2004.
- iii. Approves the decision statement (attached at Appendix 1) required under Regulation 19 of the Neighbourhood Planning (General) Regulations 2012, as amended, and
- iv. Agrees that both the Longframlington Neighbourhood Plan and the decision statement are published on the Council's website and publicised elsewhere to bring it to the attention of people who live, work, or carry out business in the neighbourhood area; and for the decision statement to be sent to the qualifying body and anyone else who asked to be notified of the decision.

Link to Corporate Plan

This report is particularly relevant to the priorities of the Northumberland County Council Corporate Plan 2020-21 in terms of empowering local communities, involving them in decisions which affect them and supporting them in embracing change.

Key Information

1. The Longframlington Neighbourhood Plan has been prepared with Officer support provided to Longframlington Parish Council and has been informed by extensive community consultation and engagement. It passed Independent Examination in October 2021.
2. A referendum was held in the Parish of Longframlington on 20th January 2022, where 487 people (43.09% of the registered electors) in the Parish voted. 26 people voted no and a majority 'yes' vote of 459 people (94.25%) were in favour of making the Neighbourhood Plan.
3. Since a majority vote at the referendum was in favour of the Longframlington Neighbourhood Plan being used to make decisions on planning applications, the County Council is obliged by legislation to formally make the plan within 8 weeks of the date of the referendum.

Background

4. The process for preparing a neighbourhood plan is set out in legislation and national guidance. The intention of neighbourhood planning is that local communities will engage in preparing plans which address their particular local land-use issues. Support should be secured from residents in a neighbourhood area for those policies intended to be included in the final version of the plan since unlike other planning policy documents, once a neighbourhood plan passes an independent examination it is subject to a local referendum. Only a plan that passes a referendum with a majority of support from the electorate can be 'made' (brought into legal force). Once a plan has passed referendum the local planning authority is obliged to 'make' the neighbourhood plan, unless doing so would breach or otherwise be incompatible with EU obligations.
5. Once a neighbourhood plan is 'made' it becomes a formal part of the statutory development plan for the neighbourhood area to which it relates. This means that decisions on planning applications in that area must be made in accordance with the policies in the plan unless material considerations indicate otherwise. Policies in a made neighbourhood plan take precedence over existing non-strategic planning policies.

Preparation of the Longframlington Neighbourhood Plan

6. The Longframlington Neighbourhood Plan has been prepared following extensive community consultation and engagement by the Parish Council. To maximise levels of engagement, the Parish Council used a range of methods to engage in a safe and equitable manner, having regard to Government advice on public access to buildings and social distancing. This included more targeted methods of publicity and consultation to ensure those in the community without internet access were not disadvantaged.

7. The pre-submission draft plan was subject to an eight-week consultation period by the Parish Council between March and April 2021. Following a review of representations made to the consultation, a final draft Plan was endorsed by the Parish Council and submitted to the County Council in May 2021. The Plan was then publicised by the County Council in July and August 2021, in accordance with legal requirements.
8. Following submission of the Plan, the County Council appointed an Independent Examiner. The Examination was undertaken by written representations and the Examiner's Report was published in October 2021. This report found that, with modifications, the Plan passed the necessary legal tests, and it could be put to local referendum. The County Council and the Parish Council accepted this recommendation. In accordance with the Regulations, the County Council published a Decision Statement on 12th November 2021 confirming this prior to arranging a local referendum.
9. A local referendum was held on 9th December 2021. The referendum posed the question: "Do you want Northumberland County Council to use the Neighbourhood Plan for Longframlington Neighbourhood Area to help it decide planning applications in the neighbourhood area?" To pass referendum a majority of over 50% of those turning out to vote must vote 'yes' in response to this question. A total of 497 people voted, representing 43.09% of the registered electors. A total of 459 people voted 'yes', giving a majority of 94.25%.

Content of the Longframlington Neighbourhood Plan

10. The Longframlington Neighbourhood Plan contains seven policies addressing Development within and outside a Settlement Boundary, The Local Economy, Community Facilities, Recreation Areas, Biodiversity, Local Green Spaces, and Design.

Process for 'making' the Longframlington Neighbourhood Plan

11. Neighbourhood plans must be 'made' by the Local Planning Authority to come into force. This function is exercised by Cabinet in Northumberland County Council. Once confirmation is given that Cabinet agrees to the making of the Longframlington Neighbourhood Plan a statement to that effect must be published on the County Council's website and the decision must be notified to certain parties and publicised more widely generally.
12. A copy of the relevant draft decision statement is attached at Appendix 1. The County Council must also publish a copy of the made Neighbourhood Plan, making it available on the Council's website and through other media. The version of the Longframlington Neighbourhood Plan which was presented for referendum is

provided at Appendix 2.
